Orio Parts North America is pleased to announce new front bumper upgrade kits for the 2008-2011 9-3.

These kits include replacement parts to upgrade the front bumper and grills to the design of a 2012 Griffin model. Additional parts can be added to install fog lights.

The kits are very reasonably priced at \$522.06 OSC Net and \$872.00 MSRP until August 31, 2016.

The part numbers are –

32027510 for cars with Headlamp Washers

32027511 for cars without Headlamp Washers

Customer cars with these kits installed are shown below and in a separate attachment to show your customers.

These kits are also a great alternative if the 08-11 bumpers are on backorder.

Contact the Parts Help Line with any questions.
